Venicia End Table

White Sage • 51012287

Log in for pricing

OVERVIEW

Designed to feel like a functional work of art, this end table pairs the timeless beauty of marble wit the sculptural presence of textured iron. The naturally veined stone top creates an elegant sta for a favorite book, cocktail, or decorative object, while the organically shaped legs add depth and visual intrigue. Whether placed beside a sofa or accent chair, it brings a layer of curated sophistication, transforming everyday moments into something beautifully intentional.
