

**CROSS**

With its geometric shapes and sharp lines, Cross is inspired by the architectural minimalism, with the attempt to create a simple and yet sculptural table of solid marble.

The side table is developed in close collaboration with Indian marble suppliers in the search for the perfect homogeneous stone. Each solid marble table consequently reveals deliberate small contrasts in the texture, a surface of gorgeous, faded earth tones and a matte finish. Cross can be used as both a side table and a stool.
