## PRODUCT DESCRIPTION

Kaia brings the warmth of natural texture to outdoor living with a clean, modern ring of light. Hand-wrapped synthetic rattan surrounds the LED frame, softening the architectural form with a relaxed, furniture-inspired character. Offered in Natural or Grey tones, the finish coordinates beautifully with outdoor furnishings while non-corrosive construction and damp-rated performance make it suited for covered exterior spaces. Available as a 20" flush mount and 36" or 48" pendants, Kaia delivers ambient illumination with selectable CCT flexibility for patios, lounges, and open-air gathering areas.
