PRODUCT DESCRIPTION

Fractal brings sculptural geometry to exterior lighting with an angular, faceted cast aluminum body that feels sharp, architectural, and refined. Finished in Matte Black, the form creates dramatic shadow play by day and a controlled indirect LED glow by night. Available as a downlight, up/downlight, and coordinating 3CCT step light, the collection offers a cohesive solution for walls, pathways, entries, and outdoor transitions. Minimal in profile yet bold in character, Fractal turns functional illumination into a modern architectural accent.
