## SPHERE VASE BUBL MEDIO

The Sphere collection has become synonymous with the visual language and the signature series of 101 Copenhagen.

The series is a family of unique silhouettes and textures gathering in a decorative and sculptural manner. Elegantly sculpted, each vase is finished with an intricate ornate detailing.

Inspired by ancient Chinese vases, a palette of faded earth tones is characteristic of the Sphere collection which was developed in close collaboration with highly skilled ceramists, ensuring the precise contrast between the smooth shapes and sharp edges.

As it is a hand glazed nature product, the colours may vary slightly and is meticulously glazed on the inside with a waterproof lacquer, ensuring that the vase is entirely waterproof.
