

## Nador Moroccan Hand Knotted Rug

Nador Taupe • 230615-007

### Overview

A 90/10 blend of wool and cotton, a Moroccan-inspired area rug features hand knotting of traditional cultural motifs reflective of the native Berbers of North African countries. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations.
