

# Nador Moroccan Hand Knotted Rug

Nador Espresso • 230615-013

## Overview

A 90/10 blend of wool and cotton, a Moroccan-inspired area rug features hand knotting of traditional cultural motifs reflective of the native Berbers of North African countries. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations. Due to the handcrafted nature of this rug, slight variations in sizing may occur.
