

# Prato Hand Knotted Rug

Prato • 232730-001

## Overview

Inspired by traditional Turkish textiles and patterns, a hand-knotted area rug is made from a beautiful blend of classic cotton and luxurious New Zealand wool in deep, rich earth tones to ground the room. The unique, intricate motifs seem to speak a story all their own. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations.
