

# Top-Grain Leather

## Care Instructions

- Buff regularly with a clean, dry cloth.
- Dust lightly and vacuum regularly.
- Do not use oils or leather cleaner. Avoid ammonia or other harsh cleaning products.
- Never use standard cleaning products on top-grain leather.
- Address spills immediately by wiping with a damp, soft cloth.
- Keep out of direct sunlight.
- Avoid direct contact between sharp objects and the leather.
- For cleaning, call a leather professional.
