FOUR HANDS

Ryan Oak Coffee Table

Natural Resawn Oak • 237177-001

Overview

The zen of this intentionally simple half-sphere can anchor an entire room. Natural imperfections in the wood make each table one-of-a-kind. This piece is designed in collaboration with Thomas Bina. Four Hands' partnership with the renowned Los Angeles furniture designer began in the early 2000s, producing several unique collections including reclaimed wood-driven case goods and Brazilian-inspired upholstery.
