Overview

The classic sling chair gets a grand, elevated look. Solid wood frame is shaped, curved and smoothed on all edges. Cushioned seat and back are upholstered in top-grain leather. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
