

FOUR HANDS

Cyrus Dining Bench

Black • VCNS-F008-WE2

Overview

A strikingly simple poly-resin bench derived from river sand is polished to a smooth sheen. Angled, matte black iron legs add architectural appeal to bench-style seating. Great solo or paired with Cyrus Dining Table, indoors or out. Slight color variance is to be expected, and speaks to lava stone's organic nature. Cover or store indoors during inclement weather and when not in use.
