Cassio Nightstand

Natural Reclaimed French Oak • 242186-001

Overview

Designed by Thomas Bina and Ronald Sasson, a design partnership blending both modern minimalist and Brazilian influences. Nightstand is crafted from natural reclaimed French oak with plenty of graining, cracking and movement across the drawer fronts. Detailed with angled legs and exposed joinery on the top. Drawers are fully finished on the interior so each piece is beautiful inside and out.
