

## FOUR HANDS

# Armstrong Linear Chandelier

Black Gunmetal • 244994-003

## Overview

Matte glass spheres seem to extend and reach across smooth brass rods. Each globe is individually blown, shaped and sculpted by hand through a one-hour process. Matte globes are specially manufactured to evenly diffuse light. The finish on the brass frame is achieved through a specialized process that turns the brass into an almost black hue before the rod is polished smooth. Brass and glass are 98% recyclable. Designed and sustainably made in Poland by Schwung.
