Spider Chandelier

Black Cord • 245022-004

Overview

Clear glass spheres float at varying lengths for a statement-making piece. Each globe is individually blown, shaped and sculpted by hand through a one-hour process. The finish on the brass frame is achieved through a specialized process that turns the brass into an almost black hue before the rod is polished smooth. Brass and glass are 98% recyclable. Designed and sustainably crafted in Poland by Schwung.
