

Amber Lewis x Four Hands

Finnegan Outdoor Chaise

Alessi Buff • 243362-002

Overview

Inspired by traditional elements of campaign safari styles, this outdoor chaise lounge features metal cross stretchers that pull through FSC®-certified teak legs with updated turned details. The mixed material look of teak, metal and a woven seat finished with Italian high-performance upholstery come together for this inviting, transitional look. Sustainably made with zero waste, luxurious Italian upholstery places a new and unique spin on indoor/outdoor seating, offering soft, durable fabric that's highly resistant to sun, stains, mold and abrasion. A design collaboration by Amber Lewis and Four Hands.
