

Lalo Ombre Rug

Light Grey Ombre • 231322-002

Overview

Add a lush layer underfoot next to the bed, sofa or favorite reading chair. Four 100% unshorn sheepskin hides are hand sewn together to create an extra large, plush area rug. Dip-dyed for a beautiful and subtle ombre effect that brings more movement to the entire piece. These 100% hair-on-hide rugs are made from hides that have been upcycled from abattoirs across Argentine Patagonia. Each hide is rigorously hand selected for its quality, size and rich color, and finished with a chromium-free tanning process that's gentler on the environment. Light shedding plus a variance in shape, size and color is to be expected, and speaks to lambskin's natural character.
