

Amber Lewis x Four Hands

Bennett Chair

Beige Shearling • 247276-002

Overview

A new classic is created by blending the look and charm of traditional woodworking with thick cushion seating. The frame of the chair is crafted from solid oak and features gently turned dowel legs, plus arm rails that wrap around the back in a perfect U shape. Covered in 100% natural shearling. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
