

Amber Lewis x Four Hands

Figueroa End Table

Sawar Marble • 249112-001

Overview

A simple, sculptural end table. Soft curves define the movement in the silhouette and veining of Sawar marble, accented by various shades in this natural material. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval. Visit the FAQ page in our Help Center for more details.
