

Crispin 3Pc Sectional

Crypton Nomad Snow • 250736-003

Overview

Modern shaping meets sink-in comfort for a piece that invites you and your guests to stay a little longer. The wide arms, slightly angled back and rectilinear edges on this three-piece sectional are softened with T-shaped cushions and an exaggerated bench-style seating in soft foam. Designed with S-spring suspension for a supportive sit and finished with chunky block legs made of solid wood below. Soft, easy to clean and free of PFAS, Crypton® performance fabric is specially engineered for protection against stains, moisture and odor.
