

Joelle Hand-Knotted Rug

Undyed Wool • 247837-001

Overview

Chunky, undyed wool weaves natural highs and lows, with a range of brown, tan, cream and black heathered throughout. Individually crafted, each rug is unique. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations.
