

Lovato Hand Knotted Rug

Lovato • 238018-004

Overview

High/low texture and bold geometric patterning offer a unique take on a neutral rug design, crafted from lightly heathered wool. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations.
