

Handwoven Stripe Wool Pillow

Black Wool • 242314-005

Overview

Handcrafted by small-batch makers in Mexico using a technique dating back hundreds of years, each pillow cover takes one to two skilled weavers up to two weeks to create. Made with wool and two different colored cotton yarns for a heathered, nontraditional stripe pattern, each cover is entirely unique and subtle variation is to be expected. In partnership with Aid to Artisans.
