

# Prato Hand Knotted Rug

Prato Espresso • 232730-004

## Overview

Inspired by traditional Turkish textiles and patterns, a hand-knotted area rug is made from a beautiful blend of classic cotton and luxurious New Zealand wool in deep, rich earth tones to ground the room. The unique, intricate motifs seem to speak a story all their own. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations. Due to the handcrafted nature of this rug, slight variations in sizing may occur.
