

Cortona Hand Knotted Rug

Cortona Cream • 232731-009

Overview

The vintage rugs that inspired this 3'x9' runner were originally handwoven in the ancient city of Khotan and designed with wave and fret patterns or flowering vines along the borders. This take is made from a soft wool/cotton blend in light neutral tones with an intricate motif that's been modernized, yet still seems to speak a story all its own. Following a technique and tradition dating back thousands of years, each hand-knotted rug can take two to three master weavers five to six weeks to complete, depending on the size and intricacy of each rug. Every hand-knotted rug is designed to wear beautifully over time, making them heirlooms to be passed down for generations. Due to the handcrafted nature of this rug, slight variations in sizing may occur.
