CARE INSTRUCTIONS

Thank you for purchasing a piece of District Eight furniture. To make sure the design you have chosen remains looking it's best please follow these care instructions.

Metal and wood components can be cleaned using a clean cloth and if you feel it is needed, use Pledge or any other wax based furniture polish to restore your furniture's lustre.

The fabric should only be cleaned with a solvent or water-free product, like a dry-cleaning solvent. Use just a litte and make sure you have plenty of ventilation.
