Broadway Canvas • 243946-002

Overview

Heritage-inspired comfort in a 360-swivel chair. Sloping track arms and a protruding front decking are a study in playful forms, while subtle boxing along the front perimeter maintains a simple, polished look. The two-over-one boxed cushions incorporate a feather/fiber blend and S-spring suspension for the ultimate sink-in sit. Covered in 100% flax linen. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
