

# Rane Bed

Heirloom Sienna • 250435-002

## Overview

Bring a soft look to bedroom styling with a mixed material bed of honey-finished oak featuring a curved, cushioned headboard of tan top-grain leather. Sourced from one of the oldest family-owned tanneries in Italy’s Bassano del Grappa, heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
