

Amber Lewis x Four Hands

Dayna Coffee Table

Faux Travertine • 251062-001

Overview

Center the living space with a concrete coffee table made with a unique water transfer finish designed to mimic travertine. Round, inflated shaping softens the look. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval. Visit the FAQ page in our Help Center for more details.
