

Amber Lewis x Four Hands

Brielle Dining Chair

Natural Paper Cord • 251068-002

Overview

Complementary materials make this dining chair a standout with its layered textures. The seat is crafted from woven paper cord, while the slingback leather is strapped and riveted with button detailing around the solid oak frame. Pair it with a seat cushion for extra comfort. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
