

Amber Lewis x Four Hands

# Dreya Dining Chair

Antwerp Cafe • 251405-003

## Overview

Tradition goes modern in this "deconstructive"-inspired design. An exposed solid oak frame pairs with a faux slipcover of performance fabric. On the back, a panel of upholstery features an earthy floral for a pop of pattern. A small opening between the seat and back cushions brings a look of lightness to this otherwise substantial piece. Performance fabrics are specially created to withstand spills, stains, high traffic and wear, ensuring long-term comfort and unmatched durability. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
