

Amber Lewis x Four Hands

Eleanor Accent Stool

Rodin Sand • 249135-001

Overview

For an updated take on an antique-inspired look, a flexible accent stool features soft, semi-attached cushion seating in a linen-like fabric, for comfort with track-resistant livability. A toasted ash base includes metal casters finished in an aged brass. Perfectly sized for smaller spaces — or, double up and style at the foot of the bed. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
