

Amber Lewis x Four Hands

# Hathaway End Table

Toasted Ash Thick Veneer • 254349-001

## Overview

Simple waterfall shaping defined by subtle details. Grain-rich ash offers plenty of movement across the wood, meeting in a prominent scallop cutout detail on each edge for a bold addition of character to this end table. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval. Visit the FAQ page in our Help Center for more details.
