Makai 4 Door Sideboard

Light Wash Oak • 254338-001

Overview

A smaller scale and antique-inspired oval shape give this sideboard a classic polished look. A slight overhang of the top and bottom slabs adds visual interest, while simple ball-shaped hardware mimics this sideboard's unique bun feet. Made from solid oak with a light finish displays mixed straight and cathedral grain to showcase the wood's natural characteristics. Ample storage abounds in this substantial, six-door sideboard. A design collaboration by Amber Lewis and Four Hands. This item has limited online distribution and may not be sold on websites without prior approval.
