FOUR HANDS

Umbral I by Serrucho

Walnut Floater • 256412-002

Overview

Sculptural artist Serrucho creates textured works that explore the relationship between time, nature and material transformation. His practice celebrates the character and history embedded within materials, highlighting the beauty of weathering, erosion and transformation to craft works that feel both organic and refined. If not currently in stock, this texture-enhanced piece ships within three weeks. Handmade in Austin, Texas.
