FOUR HANDS

Anders Desk Chair

Antwerp Natural • 254039-001

Overview

Inspired by midcentury Danish cord chairs and woven with the same time-honored craftsmanship, this roomy desk chair offers more than it seems. The seatback's double-twisted paper cord has a natural elasticity that's meant to adapt as you sit. A height-adjustable 360-degree swivel base with casters, a generous crown, curved arms and seat cushion make the chair extra comfortable. Performance fabrics are specially created to withstand spills, stains, high traffic and wear, ensuring long-term comfort and unmatched durability. Steam regularly for best appearance.
