FOUR HANDS

Waterfall II by Jess Engle

2.0 Gilded Antique Gold • 256455-001

Overview

From the 30th Anniversary Capsule. Raised between Ethiopia, Malawi, Togo and South Africa, the now-Austinite's worldly upbringing can be sensed in her culture-rich works. From ink and watercolor to acrylic paintings and digital renderings, Engle seeks to rewrite life's visceral imperfections into something beautiful. Finished within a Gilded Antique Gold frame, an intricately detailed and bold design, with a subtly patinaed gold finish adding visual depth. Handmade in Austin, Texas.
