F		Allen Key	5MM	1

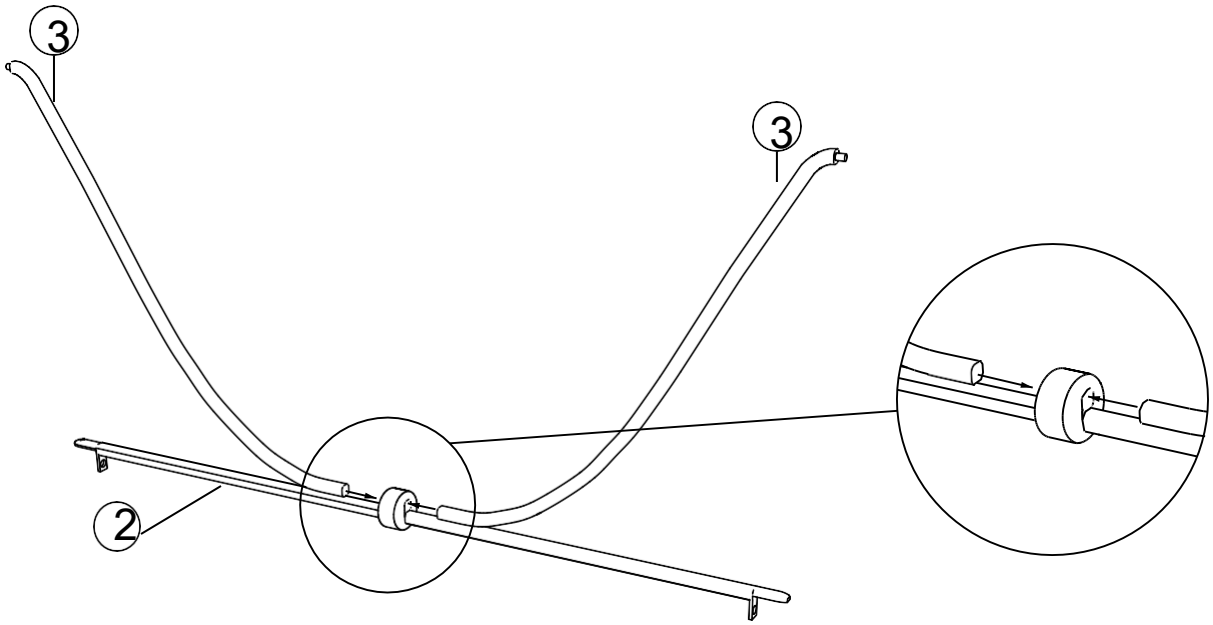

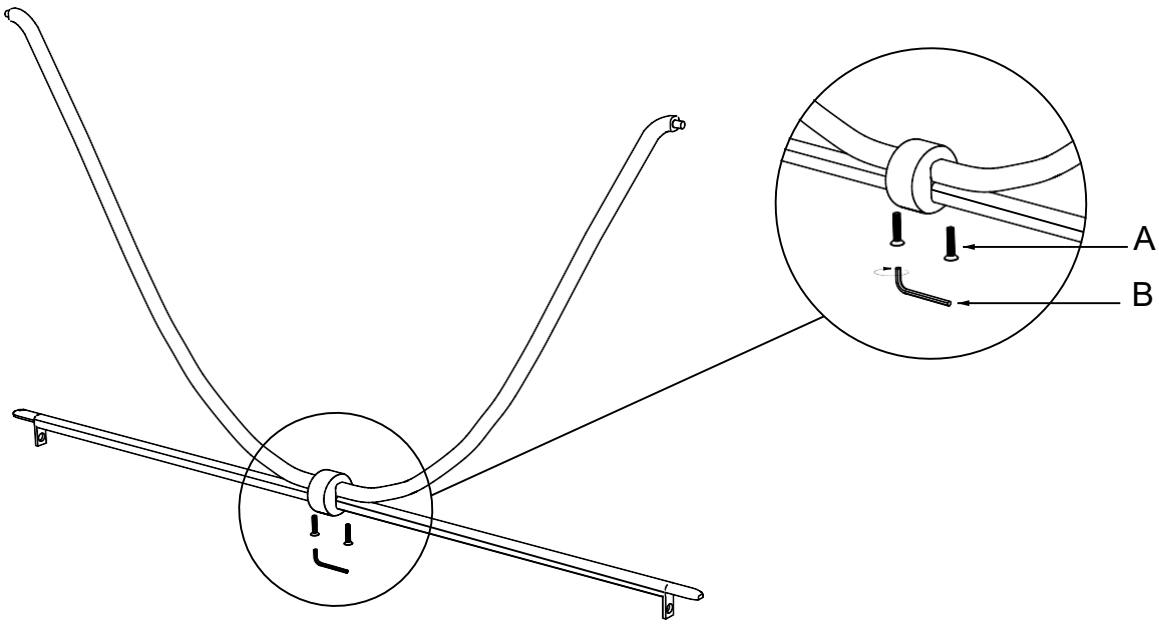

Step 1

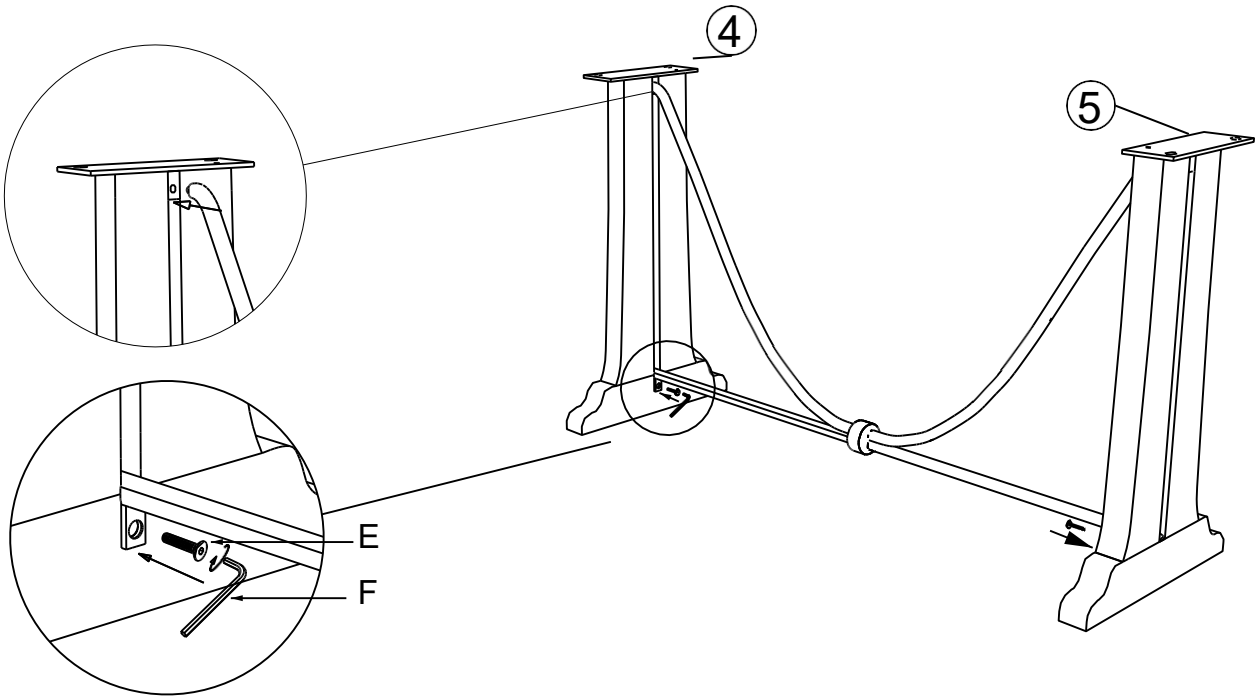

Step 2

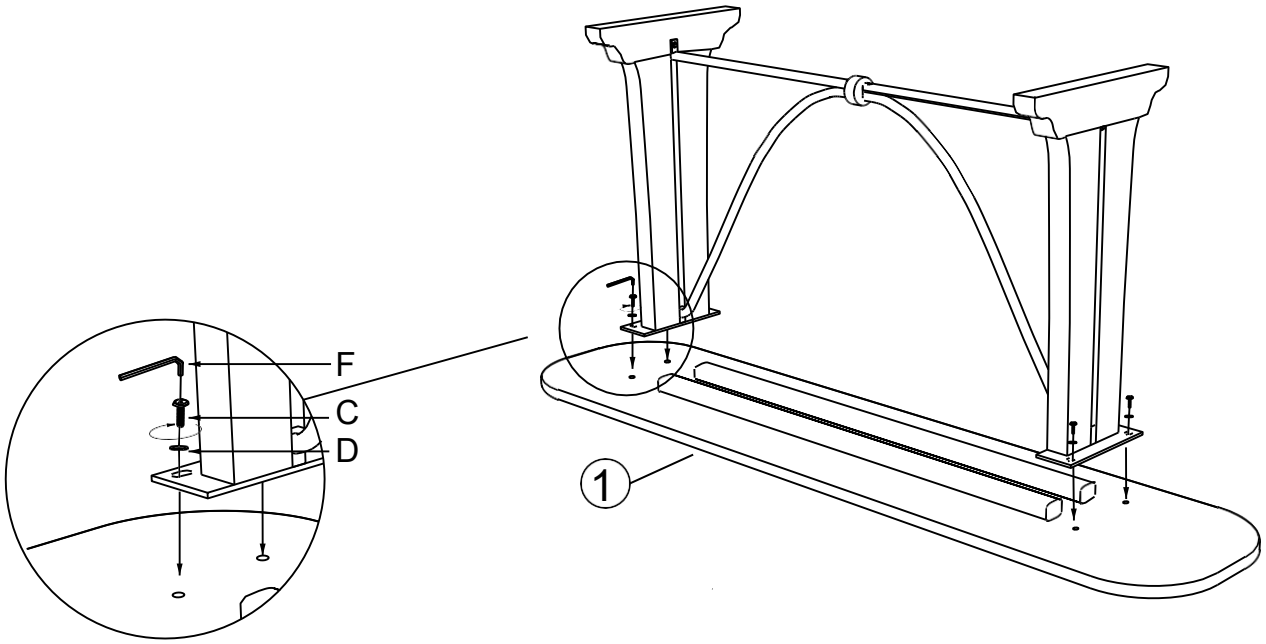

CAUTION: Assemble the product on a mat or carpet.

Step 3

Step 4

CAUTION: Assemble the product on a mat or carpet.

Step 5

Check for Stability – Place the furniture in its final position on a level surface. If it wobbles or doesn ’t sit evenly, the floor levelers need adjusting.
Locate the Levelers – These are small adjustable feet found at the bottom corners of your furniture.
Adjust as Needed – Using your hand or a wrench, turn the levelers clockwise to raise or counterclockwise to lower the furniture. Make small adjustments and check stability after each turn.
