FOUR HANDS

Doray Swivel Chair

Ellis Birch • 255031-001

Overview

Soft texture meets natural movement. A brushed-and-pulled upholstery fabric introduces dimension across a compact curved silhouette, while figured burl oak veneer adds depth and character through natural grain variation. The contrast between tactile upholstery and richly detailed wood elevates the simple form, creating a chair that feels layered without becoming overly complex. A hidden swivel base allows the piece to move effortlessly within a space. 360 swivel.
