FOUR HANDS

Fern Outdoor Nesting End Tables

Cafe Concrete • 254594-001

Overview

Inspired by classic Moroccan tilework, this nesting end table duo pairs plenty of personality with a simple silhouette. A high-shine finish gives coffee-finished concrete surfaces a subtle sense of movement as the light hits. Nest together for a bold, layered centerpiece, or style apart to tie the whole room together. Cover or store inside during inclement weather and when not in use.
