Maia Nightstand

Dusty Brown Oak Veneer • 255089-002

$818.55

Overview

Designed by Thomas Bina and Ronald Sasson, a design partnership blending both modern minimalist and Brazilian influences. This new forma nightstand beautifully integrates brown oak framing with muted cane drawer fronts, detailed with beading, for a texture-driven look that adds tonal softness to the bedroom. Flush drawer pulls in aged brass blend seamlessly into the design. Drawers are fully finished so each piece is beautiful inside and out.
