FOUR HANDS

Lanvien Swivel Chair

Nubuck Cigar • 255084-001

Overview

Thoughtful details set this 360-swivel chair apart. Supple top-grain leather wraps a sculptural frame featuring a distinctive split-back design, exposed hardware details and gently sloped arms. The loose back cushion softens the silhouette, balancing structure and comfort with ease, and brass detailing adds contrast and refinement throughout. Designed in partnership with longtime Four Hands collaborator Thomas Bina and Brazilian designer Ronald Sasson.
