Crypton Nomad Snow • 254264-002

Overview

Italian Modernism done right. This crisp piece with contrast plays with weight and proportion, balancing a large profile with a light, leggy frame. Tightly upholstered top-grain leather is basket-woven for added texture, and wrapped in a slim metal frame with a distressed bronze finish. Finished with snow-white Crypton®-upholstered seating. Clean lines and simple details keep the whole look grounded without feeling heavy. Soft, easy to clean and free of PFAS, Crypton® performance fabric is specially engineered for protection against stains, moisture and odor.
