Overview

A beautifully simple cabinet that complements any space. Double doors with sleek handles gracefully bow inwards toward one another, creating a modern, dimensional front. Crafted from rustic-finished oak with knots and cracked character for an organic, lived-in look. This piece is designed in collaboration with Thomas Bina. Four Hands' partnership with the renowned Los Angeles furniture designer began in the early 2000s, producing several unique collections including reclaimed wood-driven case goods and Brazilian-inspired upholstery.
