FOUR HANDS

Tervin Coffee Table

Natural Mexican Oak Veneer • 255711-001

Overview

Bring a sculptural touch to the living room. This coffee table features rich Mexican oak with plenty of natural character, shaped into a uniquely inflated, soft-edged silhouette. Using advanced vacuum-pressing techniques to mold veneer seamlessly over curved wood, it delivers a seamless finish that feels elevated, artisanal and totally unique. Designed in partnership with longtime Four Hands collaborator Thomas Bina and Brazilian designer Ronald Sasson.
