FLOS FLOOR LAMP

in Brass by Elegant Lighting from the Flos collection

Illuminate your space in simply-chic mid-century modern style with this 74`` H floor lamp. Crafted with iron and rattan in a fashionable brass finish, this lamp features a tubular column post stemming from a rectangular pedestal base. A simple arm suspends one light in place, surrounded by a rattan dome shade. Powered by a 120`` length of cord and operated by a simple on/off switch, this lamp accommodates one 60 W incandescent medium base bulb (not included) to cast bright light throughout your space.
