ALLEGRI.
BY KALCO LIGHTING™

Product Details

Description:

Introducing the Bella Collection, where the charm of bygone eras meets contemporary craftsmanship. These exquisite lighting fixtures draw inspiration from the elegance of a crown of flowers, merging Art Nouveau and Art Deco influences seamlessly. The fixtures boast intricate clusters of glass flower accents, crafted from clear and rose molded glass, embodying the

sophistication of Allegri Crystals renowned artistry in metalworking and glassmaking. The robust steel construction ensures durability, while the Antique Brass finish adds a touch of refined grace. Designed with easy-to-replace glass components, Bella fixtures blend beauty and practicality, making them an exquisite addition to any space.
