

## Adora End Table

107021

Inspired by global travels, this round end table combines old world influence with modern style. Features natural rattan top covered with clear glass and a sculpted black mango wood base. An intriguing design from all angles. Coordinating coffee table also available. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. Handle With Care: This design has been crafted with rattan. This artisan-crafted material features intricate weaving that results in natural variations where no two pieces are alike. Colour and texture differences are to be expected and embraced with this natural material. Due to the weaving process used, the fibres in this material may display shorter or longer lengths where the weaving ends.
