

## Cadence Bench

109604

Boasting a bold, contemporary design, this unique bench features a captivating geometric base. Crafted from solid light oak wood with a whitewash finish. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
