

Doncaster Coffee Table

107736

With a clean and modern composition, this coffee table will add minimalist style into any space. Crafted from a solid oak wood frame with a smoke grey oak veneer. Coordinating console and side tables also available. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
